NEW SEAS

Pirates adventure

Explore the new seas with your pirate crew, Sail your ship, fight creatures and enemy ships and survive!

The player will be able to explore multiple places in the map and will have the ability to sail across the sea and reveal new islands which gives the feeling of pirate exploration.

The player will face many challenges that requires him to strategy think and multitask in order to succeed like sailing the ship while fighting enemy ships.

The player will be able to upgrade the ship for more speed and damage using coins that he gained from completing tasks and treasures.
